Waiting List Application Form

Chirpy Chicks Pre-school Playgroup's waiting list form allows parents to plan ahead for their little ones to begin their journey into education. The recommended age for starting playgroup is 3 years old, but we can allow a limited number of starts from 2 years 10 months if required to better suit your family's needs. If you wish to come along and have a look at a session before your child attends, do please contact us to arrange a visit. Once a place is booked on our waiting list we will contact you one month before your child is due to start to confirm attendance, and if at any time your plans change please let us know as soon as possible to make alternative arrangements or free up space for others.
